Subject: **Financial/Compliance Audits of 1999-2000 State Grants**

The Offices of the District Attorney, Public Defender, and Sheriff; the Department of Human Resources; the Probation Department; and the Countywide Criminal Justice Coordination Committee (CCJCC) receive grants from the State Office of Criminal Justice Planning and other State agencies. These grants require financial/compliance audits to ensure that State funding is used in accordance with applicable laws, regulations, policies and procedures.

The various departments requested that we arrange for the financial/compliance audits of the 1999-2000 State programs. A total of 43 grants (see Attachment) were included. To audit the grants, we contracted with the public accounting firm of Conrad & Associates, LLP, through our Master Agreement for As-Needed Contract Audits/Studies.

The auditors have reported their findings to the departments and copies of the reports have been sent to the appropriate State agencies. The auditors' reports identified a total of \$102,779 of questioned costs (less than one-half of one percent of the total grant expenditures), primarily the result of clerical errors, such as misclassifying a sub-grantee's costs and double claiming of an expense. The auditors also noted some minor weaknesses in internal controls; none were considered material in nature. The departments' responses to the reported findings and recommendations, which are included in the enclosed reports, indicate that the departments will take action to correct the reported problems.

Please call me at (213) 974-8301 if you have any questions, or your staff may call DeWitt Roberts at 974-0301.

### INDEPENDENT AUDITOR'S REPORT

We have audited the California Department of Education (CDE) program statements identified in the table of contents of the County of Los Angeles, Department of Human Resources for the grant and period noted below.

<u>Grant Number</u>	<u>Grant Period</u>	<u>Audit Period</u>
GLPC-9018	07/01/99 - 06/30/00	07/01/99 - 06/30/00

The amounts included in the program statements are the responsibility of the County of Los Angeles, Department of Human Resource's management. Our responsibility is to express an opinion on these statements.

We conducted our audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the CDE program statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts presented in the CDE program statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the CDE program statements. We believe that our audit provides a reasonable basis for our opinion.

As more fully described in Note 2 to the CDE program statements, the County of Los Angeles, Department of Human Resources prepares the expenditure report in accordance with CDE requirements. The accounting practices used to prepare the expenditure report may differ in some respects from generally accepted accounting principles. Accordingly, the accompanying CDE program statements, which are based in part on the expenditure report, are not intended to present the financial position and results of operations in conformity with generally accepted accounting principles.

Mr. Alan Sasaki  
Auditor-Controller  
County of Los Angeles  
Page Two

In our opinion, the CDE program statements referred to in the first paragraph present fairly, in all material respects, the approved budget and costs claimed and the allowable costs for the grant and period audited, in conformity with the basis described in Note 2.

In accordance with *Government Auditing Standards*, we have also issued a report dated October 26, 2000 on our consideration of the County of Los Angeles, Department of Human Resource's internal control structure and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

This report is intended solely for the information and use of the California Department of Education and the County of Los Angeles, Department of Human Resource's management and is not intended to be and should not be used by anyone other than these specified parties.

Notes to CDE Program Statements

For the Period  
July 1, 1999 through June 30, 2000

**Note 1: Background**

CDE awarded Grant No GLPC-9018 to the County of Los Angeles, Department of Human Resources for the following program objectives:

- Local Child Care Planning Council

As stated in the contract requirements, the local childcare planning council (LPC) was designed to enhance and strengthen the interaction between children's service interest groups and agencies. The LPC also focuses on local areas that have the greatest need and utilizes the grant's funds for these areas.

**Note 2: Summary of Significant Accounting Policies**

The CDE program statements have been prepared from the original grant budget and subsequent modifications, if any, approved by CDE, the expenditure report form and the County of Los Angeles, Department of Human Resource's financial records.

The expenditure report form was prepared by County of Los Angeles, Department of Human Resource's personnel in accordance with CDE requirements. The basis of accounting used in preparing the expenditure report form differs from generally accepted accounting principles for the following item:

- Equipment. Equipment purchased with grant funds is expensed at cost. Generally accepted accounting principles require the equipment to be capitalized and depreciated over its useful life.

Accordingly, the accompanying program statements are not intended to present the financial position and results of operations in conformity with generally accepted accounting principles.

**Note 3: Expenditures Reimbursed by the California Department of Education**

During the period of June 1, 1999 through June 30, 2000, the County of Los Angeles Department of Human Resources claimed total expenditures of \$396,835 on the Child Care Planning Program, of which \$301,816 was to be reimbursed by the California Department of Education.

Notes to CDE Program Statements

For the Period

(Continued)

**Note 4: Consultant Costs**

During our review of consultant costs, we noted some expenses that were not supported with proper documentation. Upon further review it was noted that the expenses were mistakenly claimed twice. As a result, consultant costs of \$30,000 are recommended for disallowance. However, since the County of Los Angeles, Department of Human Resources, exceeded the required maintenance of effort (MOE) under the grant by \$31,217 (\$95,217 of claimed MOE less \$64,000 of required MOE), no state grant funds are affected by the disallowed costs.

**Grantee Response**

We are in agreement with the identified Costs Recommended for Disallowance. Wherefore, \$30,000 of consultant cost was mistakenly reported twice with no impact to the California Department of Education (the grantor) as the required maintenance of effort was exceeded.

**Auditor Comment**

We concur with the Grantee's response.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING BASED ON AN AUDIT OF CDE PROGRAM STATEMENTS  
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

We have audited the California Department of Education (CDE) program statements of the County of Los Angeles, Department of Human Resources for the grant and period noted below, and have issued our report thereon dated October 26, 2000.

<u>Grant Number</u>	<u>Grant Period</u>	<u>Audit Period</u>
GLPC-9018	07/01/99 - 06/30/00	07/01/99 - 06/30/00

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the County of Los Angeles, Department of Human Resource's CDE Program Statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of program statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Audit Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the County of Los Angeles, Department of Human Resource's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the CDE program statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the CDE program statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the State of California, California Department of Education and the County of Los Angeles, Department of Human Resource's management and should not be used for any other purpose. This restriction is not intended to limit the distribution of the report, which is a matter of public record.
